A WORD FROM THE HEAD FOOTBALL COACH

#SAGU4LFAMILY personifies the Saguaro High School (SHS) student body and athletic communities. The 2019 season will mark my 13th season coaching football at Saguaro, and my 8th season as head coach. I have shared many life-long memories with the Saguaro Football family. The relationships that I have developed with our players, coaches, and families are what make my job special, and are what have led to us, in 2017, becoming the only team in the history of Arizona high school football to win five consecutive state championships. Our sixth consecutive title was earned in 2018. As we cast our gaze to the 2019 season, we recognize that our work will be cut out for us, as we enter an “open” high school football division. For the first time in AIA (Arizona Interscholastic Association) history, 4A, 5A, and 6A conference teams will vie for the open title. This seminal moment is a call to arms/call to action to the entire Saguaro support system and community. If you are one of our many previous corporate sponsors, we are eternally grateful and indebted; however, in this David and Goliath battle, we need our entire Saguaro ecosystem to reach deep as we face schools with nearly three times our enrollment and seemingly bottomless financial resources. The time is now to make the heartiest financial commitment you can shoulder—in turn, you will receive, from our new Daktronics digital scoreboard, the type of advertising/branding opportunities afforded in 28 out of 31 NFL stadiums across the country!

Jason Mohns - Head Football Coach

GO CATS!

A WORD FROM THE ATHLETIC DIRECTOR/ASSISTANT PRINCIPAL

We are extremely thankful to have the opportunity to highlight our student athletes, school, and community through our new interactive scoreboard. As a potential sponsor we wish to thank you for your consideration and support of Saguaro High School athletics. With the ability to leave thousands of impressions on our athletic event spectators, we believe you will be pleased with the return on your investment, while knowing you helped our student athletes receive a true championship experience. At Saguaro High School, we believe in community, and look forward to you becoming a part of our rich tradition.

SAGUARO HIGH SCHOOL FOOTBALL

WHO WE ARE SAGUARO SABERCATS

WHO WE ARE

Saguaro High School, located in the heart of Scottsdale, just won their Arizona state record SIXTH CONSECUTIVE State Championship in 2018 and has won 11 of the last 13 State Football Championships. They are led by Head Coach Jason Mohns, the 2018 What-A-Burger Heart and Soul of the Game Winner, who has helped dozens of talented players realize their dreams of playing college football. Sabercat Alumni have gone on to play at Air Force, Arizona, ASU, Boise State, Cal, Colorado, CSU/Pueblo, Hawaii, Miami, Navy, Nevada, San Diego, San Diego State, Texas A&M, Troy, UNLV, USC, Washington and Wisconsin just to name a few.

A LOOK AHEAD FOR THE SABERCATS

The 2019 season is set up with some exciting changes, as Arizona now joins the State of California as the only two states in the country with an “open” high school football division. For the first time in the AIA history, football teams in the 4A, 5A, and 6A conferences will now vie for the open title. With the new AIA 8-Team Division, Saguaro will be in pursuit of its 7th straight state championship.

In preparation for the new schedule, the Sabercats will travel to San Diego over Labor Day Weekend to participate in the 2019 Honor Bowl vs. San Diego Cathedral Catholic High School. The following week, Saguaro will head to Summerlin, Nevada to play in the Polynesian Football Classic against Nevada’s own Faith Lutheran High School.

The travel opportunities to San Diego and Las Vegas will be a match-up of some of the best college football prospects in the Western U.S. and is a wonderful chance for our young men to represent the state of Arizona.

WHY SUPPORT SABERCAT FOOTBALL

As a Corporate Sponsor your business will gain exposure to the thousands who attend our football games through print and digital media in our stadium, on our website and in our program. Your participation provides Saguaro the basic necessities that directly enable the Sabercat players and staff to achieve their training goals, replace capital equipment, travel and more. We hope you’ll join our team as we strive for an unprecedented seventh consecutive state title chance to represent the state of Arizona.

AN EXCITING NEW OPPORTUNITY TO BRING THE FIELD TO THE CLASSROOM

After installation of the new scoring system, it is the intention of the athletic department to integrate closely with the SHS administration to add exciting components to our curriculum, including digital content creation, hands-on learning and display operation.

Once fully integrated, we will challenge our design and multimedia students to produce videos, animations, graphics and advertisements for everyone to see. Other students will operate the cameras, run instant replays and display graphics. Bringing in local businesses like you will help students build professional relationships while raising money for the school.

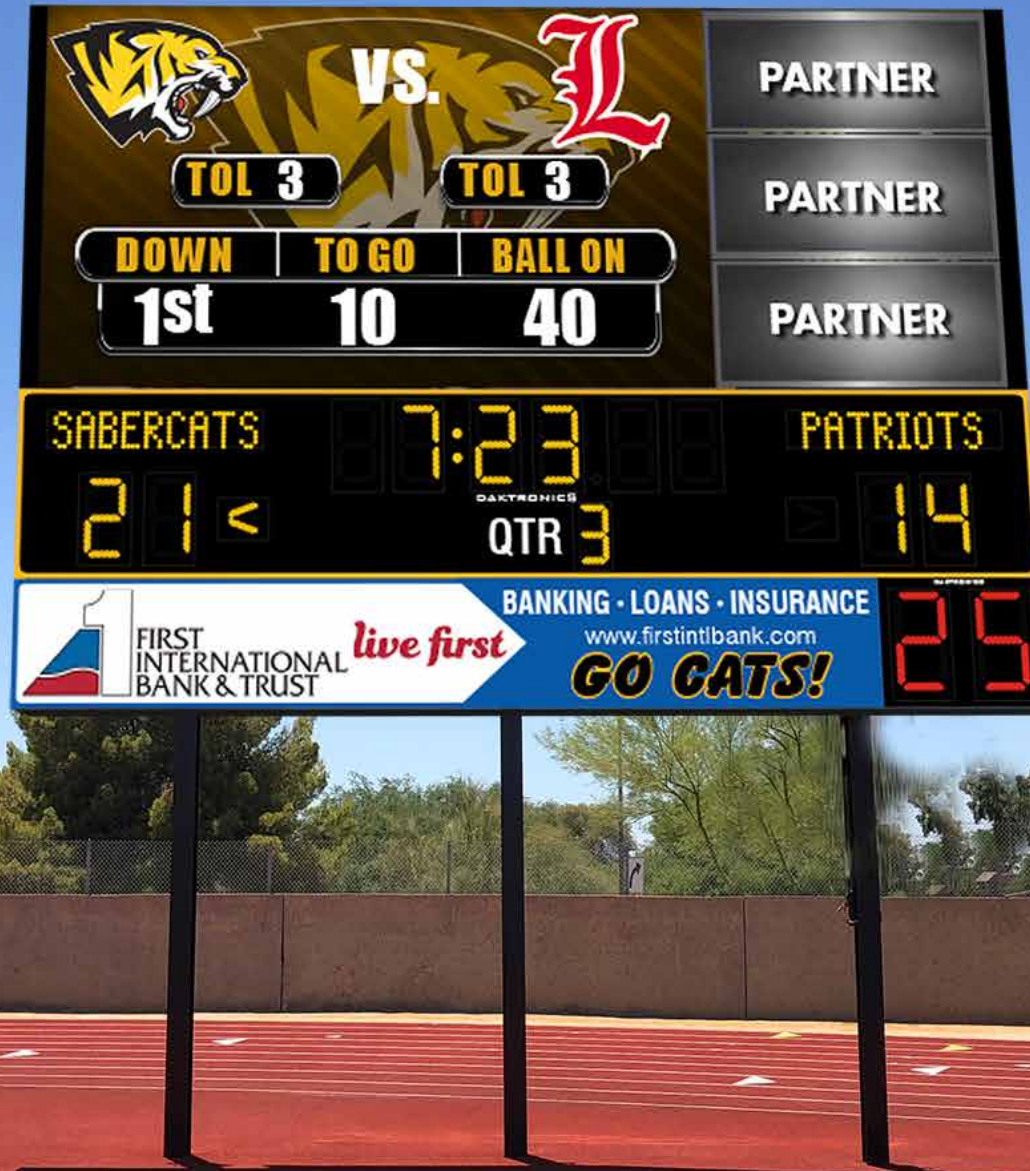

EXPERIENCE TAKES STUDENTS BEYOND HIGH SCHOOL

Daktronics will provide the training while Saguaro High School gives students the opportunity to take this experience with them beyond high school, working with the same equipment that can be found in colleges and professional facilities across the nation.
